REASONS PRE-APPRENTICESHIP IS IMPORTANT IN CONSTRUCTION:

- Pre-Apprenticeship is a great way to introduce yourself to the trades to see if you like it.
- Pre-Apprenticeship offers hands-on work experiences.
- Pre-Apprenticeship can give you alternative graduation credits.
- Pre-Apprenticeship provides a jumpstart into an adult training program after graduation, and expedite your apprenticeship period.
- Pre-Apprenticeship programs frequently provide support services including mentoring, transportation, and career counseling.
